Parking Authority studies due to Ron by week after Labor Day

We will present at the Country Fair on October 3, 2015. Confirmed that reservation was made and requested a different location if possible.

We are going to borrow the tent from Rena and Dave again and bring the items we purchased for last year. Request that we print out pictures from last year's events and mount them.

Discussed issue of failed designated parking at Junebug and the need for a permanent plan and set location so that it can be marked and published. Ron advised the group that he is setting up a meeting with Police Chief and Office Bauer and this can be on the agenda.

Playground study revealed issues with Oakland playground that have to be addressed by Council.

Future projects: f/up scout surveys

Sidewalk shoveling campaign/ public awareness of importance

- zoning officer involvement
- flyers around town, in library
- social media
- obtain list of high schoolers willing to help

"Just One Minute" campaign against parking in disabled spots
