

Metuchen Board of Health  
Meeting Minutes - May 6, 2015

Attended by Gene Mullen, Donna Monek, Dorothy Winhold, Dr. A. Goldberg, Nancy Fuccile, Mary Kay Sessa, Jennifer Kelly, Kelly Krzaczkowski and Allison Inserro.

The meeting was called to order by Gene Mullen at 7:44 P.M.

The Sunshine Law was complied with.

Old Business

Dr. Goldberg questioned the grass clipping issue. It is a county program to “cut it and leave it”. Composting apparatus is available but grass clippings would be rodent harborage. It is possible to purchase a mulching blade instead of purchasing a new mower.

Dr. Goldberg asked if anyone dumping grass will be penalized. That will not happen now as the regulation has been postponed for 1 year.

New Business

The Health Inspector’s report was presented by Kelly Krzaczkowski.

The Parking Deck construction is in process.

Construction is scheduled to start on the Whole Foods site. There will be a construction manager to oversee the project.

The Rabies Clinic will be held on Saturday, May 9, 2015 from 9:00 A.M. to 12:00 P.M. outside of Metuchen High School. Arrangements for volunteers have been completed.

Motion to adjourn by Dr. Goldberg and seconded by Mary Kay Sessa.

The meeting was adjourned at 8:02 P.M.

Next Meeting is scheduled for September 9, 2015 at 7:30 P.M.

Respectfully submitted,

Donna M. Monek, R. Ph.
