February 11, 2015

Attendees: Hussain Ali-Khan, Jack Altman, Laura Griffith, Nelson Li, Joe Rydarowski, Daniel Topping, Beata Thompson, Chair: JoAnn Sabatino-Falkenstein, Council Liaison: Dorothy Rasmussen. Not in attendance: Gideon Gelber, Jon Rabinowitz.

After many snow emergency on February's first Wednesday, our Development Commission meeting was held on the second week of February. It was held in the break room at Borough Hall because many previously scheduled meetings were running in the conference rooms.

The Commission was visited briefly by Borough Administrator, Jennifer Maier, who brought an update on the numerous items of concern/interest that we expressed in our January meeting. The development commissioners were encouraged to hear how many projects to study best practices elsewhere and to compare Metuchen processes were begun during the first month of 2015. Ms. Maier mentioned a future meeting with the SID director of Rahway to gather information as our Main Street participation matures.

JoAnn was asked to assist in making contact with the school district to study the amount of schoolchildren sending from currently occupied multifamily dwellings, to help project some of the social infrastructure requirements needed as new developments complete.

Move to adjourn meeting at 9:45pm by Dan Topping, seconded by Hussain Ali-Khan.
