- The meeting was called to order at 7:30 pm by Chairperson Kieran Esposito.
- The January minutes were approved.
- Dave Liantonio reported that planning for the Magic Show will begin.
- Programs Review – Kathy Liss met with Peer Leaders at MHS and the freshmen that received the mentoring. She received positive feedback about the program from those involved. Mort Simpson and Kathy Liss reviewed the Footprints for Life program.
- Alliance Website – Mort Simpson reported that the town’s contract with the website developer covers the cost of creating a Municipal Alliance website through the borough. Member bios should be sent to Kris Dubon for the website.
- Youth Alliance – Dorothy Rasmussen announced that the Borough Council will be making a proclamation to declare February as Marijuana Awareness Month. The banner with the slogan and information for the Youth Alliance’s initiative will be hung up across Main Street at the end of February. Flyers and fact sheets are available throughout town.
- County Alliance Meeting – Irene Morris- Nann reported that the American Cancer Society is supporting clean air ordinances in the municipalities across the county. The ACD will supply signage for designated smoking areas. The Alliance will discuss whether we should support the ordinance and present it to the Borough Council at the March meeting. Members will have access to model ordinances from other towns in the county.
- The Alliance can send members to a day-long conference on March 29 in Atlantic City. Interested members should contact Irene Morris-Nann.
- Fundraising – Kris Dubon led the members present in filling out fundraising letters and stuffing envelopes for our annual campaign.
