State of Metuchen*

### **RESOLUTION OPPOSING THE PILGRIM PIPELINE**

**WHEREAS**, Pilgrim Pipeline Company (“Pilgrim”) is proposing to build a new bi-directional pipeline through the Borough of Metuchen that would transport crude oil and refined petroleum products between Albany, New York and Linden, New Jersey; and

**WHEREAS**, the pipeline will carry oil extracted from North Dakota’s Bakken shale through the process of hydraulic fracturing, or fracking, an extreme method of oil and gas extraction that depletes and despoils clean water resources, creates toxic air emissions and radioactive waste, and contributes to the climate change crisis by releasing large quantities of methane gas into the atmosphere; and

**WHEREAS**, in February the *Wall Street Journal* compared oil from 86 locations around the world and found Bakken crude oil to be the most explosive.<sup>1</sup> Bringing this fuel into our community endangers our families, property, and environment; and

**WHEREAS**, the Pilgrim pipeline raises significant safety concerns for the Borough of Metuchen, as well as potential harm to municipal and county infrastructure, and likely negative impact upon future development in the community; and

**WHEREAS**, the Borough of Metuchen Council is concerned that heavy construction equipment will also be in close proximity to homes and foundations due to the constraints of available workspace. Temporary workspace usage will also severely impact the existing soil reducing water absorption and may increase future flooding possibilities; and

**WHEREAS**, the Borough of Metuchen Council is concerned about the hazard the project may create due to the nature and volume of the highly flammable oil flowing through the pipeline, and its proposed route, which crosses through residential neighborhoods. These communities will be in the “impact radius” should an explosion and or spill occur; and

**WHEREAS**, according to Public Employees for Environmental Responsibility, the Pipeline and Hazardous Materials Administration (PHMSA) only has 135 inspectors to oversee 2.6 million miles of pipeline, and only a fifth of that pipeline system has been inspected by PHMSA or its state partners since 2006; and

<sup>1</sup> <http://online.wsj.com/news/articles/SB10001424052702304834704579401353579548592>

**WHEREAS**, the potential for a pipeline explosion could harm hundreds of people, we express grave concerns about this project negatively affecting the health, safety, and welfare of our citizens; and

**WHEREAS**, the Council's responsibility is to provide a safe environment for its residents, and this pipeline raises serious safety concerns as described above; and

**WHEREAS**, the proposed project may result in a loss of tax revenue for the Borough of Metuchen based on right-of-way agreements with Pilgrim Pipeline and a decline in the property values of homes along and adjacent to the new pipeline and surrounding neighborhoods as a direct result of the project; and

**WHEREAS**, the New Jersey Legislature recognized the significance of the New Jersey Highlands region and afforded special protection to the region and its resources in 2004 with the passage of the New Jersey Highlands Water Protection and Planning Act. The Act created the Highlands Water Protection and Planning Council and the Highlands Regional Master Plan to ensure resource based planning would be used in the Highlands to combat sprawl and the depletion of water quality and quantity as the region provides drinking water to 5.4 million state residents; and

**WHEREAS**, the federal government acknowledged the exceptional value of Highlands resources and the urgent need for their preservation in 2004 when Congress passed the Highlands Conservation Act which "recognize[s] the importance of the water, forest, agricultural, wildlife, recreational, and cultural resources of the Highlands region, and the national significance of the Highlands region to the United States."; and

**WHEREAS**, many township residents depend on ground water and public community water systems for water supply, and septic systems for waste disposal and this project will impact groundwater quality and quantity and the septic fields of residents along and adjacent to the right of way; and

**WHEREAS**, the wise stewardship of our natural resources involves protection of the Borough of Metuchen water supplies and water and other natural resources for generations to come; and

**WHEREAS**, protection of the Borough of Metuchen's water supplies and resources is better accomplished by prevention of contamination and environmental degradation, rather than attempting to clean up contamination and restoring degraded environments after the fact.

**NOW THEREFORE**, be it resolved by the Metuchen Borough Council of the Borough of Metuchen, in the County of Middlesex, the following recitals are incorporated as of April 18, 2016

1. The Council opposes the proposed Pilgrim Pipeline.

2. The Council calls for a moratorium on any and all planning, proposal, surveying, or construction of the Pilgrim pipeline through (Community Name).
3. Because this project will traverse and negatively impact numerous significant natural areas and the resources of the municipality and the Highlands region, the Council requests a full environmental review, including a Highlands Act review, be conducted by the DEP to assess the myriad environmental consequences of the project.
4. The Council seeks the cooperation of other similarly located and affected townships, asking that all nearby affected townships adopt a similar resolution.

5- The Council adopts, and call upon similarly situated municipalities to adopt a resolution authorizing each Township to join together to enter their appearance in any proceeding before the New Jersey Department of Environmental Protection, New Jersey Board of Public Utilities, and any other regulatory authority, so that by their strength of numbers they may successfully oppose the Pilgrim Pipeline project and have the ability to cause the relocation or termination of the project so as to prevent environmental degradation and to protect the public health and safety.

6 – The Council directs the municipal clerk to forward copies of this resolution to the following:

1. NJ Governor Chris Christie
2. State Senator Peter J. Barnes, III
3. State Assemblywoman Nancy Pinkin
4. State Assemblyman Patrick Diegnan
5. New Jersey Highlands Executive Director Margaret Nordstrom and Councilmembers

**ORDINANCE 2016-12**

*Borough of Metuchen  
County of Middlesex  
State of New Jersey*

**ORDINANCE AMENDING CHAPTERS 10 AND 29 OF THE CODE OF THE  
BOROUGH OF METUCHEN, ENTITLED, “COMMISSIONS AND  
COMMITTEES” AND “OFFICERS AND EMPLOYEES”**

**WHEREAS**, the Borough of Metuchen created a Recreation Commission consisting of seven members, all of whom have been appointed to serve terms for the period of five years; and

**WHEREAS**, the creation of the Recreation Commission was not codified in the Code of the Borough of Metuchen; and

**WHEREAS**, pursuant to *N.J.S.A. 40:12-1.1*, the Mayor and Council of the Borough of Metuchen wish to add two (2) positions of alternate members to the Recreation Commission.

**NOW THEREFORE BE IT ORDAINED** by the Council of the Borough of Metuchen that it hereby supplements Chapters 10 and 29 of the Code of the Borough of Metuchen, entitled, “Commissions and Committees” and “Officers and Employees” to include the following:

**CHAPTER 10  
Commissions and Committees**

**Article 12  
Recreation Commission**

**§ 10-41 Establishment; composition.**

The Recreation Commission heretofore created is continued with the functions, powers and duties prescribed by general law and the provisions of *N.J.S.A. 40:12-1, et seq.* The Commission shall consist of seven (7) members appointed by the Mayor. All members of the Commission, including the alternates set forth below, shall be residents of the Borough of Metuchen. Members of the Commission shall receive no compensation for their services.

**§ 10-42 Term and Vacancies**

Members of the Recreation Commission shall serve for a term of five (5) years and shall serve until their respective successors are appointed and shall qualify. Vacancies shall be filled for the member’s unexpired term only.

**§ 10-43          Alternate Members**

- A. In addition to the seven (7) members provided above, there shall also be two (2) alternate members to be appointed by the Mayor. At the time of appointment, alternate members shall be designated as “Alternate No. 1” and “Alternate No. 2.” Alternate members shall serve for a term of five (5) years. However, the initial appointment shall be for a term of four (4) years for “Alternate No. 1” and five (5) years for “Alternate No. 2.” A vacancy occurring otherwise than by expiration of term shall be filled by the Mayor for the unexpired term only.
- B. No alternate member shall be permitted to act on any matter in which the alternate has either directly or indirectly any personal or financial interest. An alternate member may, after public hearing if he requests one, be removed by the governing body for cause.
- C. Alternate members may participate in discussions of the proceedings but may not vote except in the absence or disqualification of a regular member of the board of recreation commissioners. A vote shall not be delayed in order that a regular member may vote instead of an alternate member.
