## TERELL STAFFORD QUINTET

Terrell Stafford has been hailed as “one of the great players of our time, a fabulous trumpet player” by piano legend McCoy Tyner. Stafford is an incredibly gifted and versatile trumpet player who combines a deep love of melody with his own brand of spirited and adventurous lyricism. Stafford is the Director of Jazz Studies and Chair of Instrumental Studies at Temple University, founder and band leader of the Terrell Stafford Quintet, and Managing and Artistic Director of the Jazz Orchestra of Philadelphia (JOP). Stafford is renowned in the jazz world as an educator, performer and leader who has received countless award nominations and accolades and can be heard on well over 130 albums.

## ANDREA BRACHFELD AND INSIGHT

Andrea Brachfeld, recent recipient of the “Best Jazz Flute” award from Hot House Magazine, has associated with Hubert Laws, Tito Puente, Paquito D’ Rivera, Wallace Roney, Wycliffe Gordon, Dave Valentin, and Ray Barretto, among others. Her new CD, “If Not Now, When?” which was released on Jazzheads in May of 2018, showcases her Quartet “Insight” and reflects the recently composed music from the New Jazz Work grant she received from Chamber Music America and the Doris Duke Charitable Foundation. “Brachfeld is an incredibly skilled jazz player, her tone resonates and her lines pour out and hang in mid air” Marc Meyer, [www.JazzWax.com](http://www.JazzWax.com).
