Bike Club (If Applicable): _____

While this is a recreational tour, it does include some hills and the length is a substantial distance that may not be appropriate for very new riders or young children. The police cannot hold the traffic back indefinitely so cyclists need to maintain an average pace of at least 8-10 miles per hour in order to complete the tour in the allotted time. Young children, ages 8 or younger, must be on a tandem bike or on a third-wheel attachment with an adult. All riders should carry a spare inner tube in case of a flat. Ride Marshalls with tools will be available to help change a flat at one of the rest stops.

Hold Harmless

I hereby give permission for myself/my child to participate in this activity and assume the risk thereof and I do agree for myself/my child at all times to keep the said Recreation Departments, Personnel and the Township of Edison/Metuchen free, harmless and indemnified from any and all liability for any injury I/my child might sustain as the result of said participation. Photographs, videotapes and audio recordings of the participant, while participating in an Edison/Metuchen Recreation Department Program may be made. I hereby permit, consent and authorize such materials of myself/my son/daughter as an individual or part of a group with or without text, to be used for Edison/Metuchen Township Recreation activities. It is further understood and agreed that Edison/Metuchen Township does not provide any insurance coverage for the participant or organization.

**Fill out and return registration with \$10/Rider to:
Edison Recreation, 100 Municipal Boulevard, Edison, NJ**
