

Mad Science After School Program Metuchen Recreation

Crazy Chemworks

Crazy Chemworks gives students the opportunity to work in the lab like a real scientist! They will learn about polymers while creating some ooey-gooey slime, experience the extremes of the pH scale while creating reactions between acids and bases, and manipulate matter in all of its three states. In every class, children build a fun and educational take-home project such as a reaction tube, atomic coins and an action flask to extend the learning at home!

8 Week Session - Cost per child \$140.00

Grade	Day	Time	Start Date	End Date
K-4	Monday	5:00 – 6:00 PM	10/10/2022	11/28/2022

Class Location: Metuchen Senior Center, 15 Center Street
Online registration is NOW OPEN and will end on October 1st
