Edgar Middle School Gym, 49 Brunswick Avenue, Metuchen

6:30 PM – Light Dinner and Teen Development Networking

7:30-8:30 PM - Presentation

The **Metuchen Public Schools** and the **Metuchen Municipal Alliance** invite you to a parent workshop that will increase your awareness with an interactive tour to see what could be hidden in a child's bedroom.

Substance abuse affects everyone. **Hidden in Plain Sight** is a hands-on interactive learning opportunity presented by **Special Agent Timothy P McMahon**, Public Information Office, Drug Enforcement Administration, NJ Division, Newark. Using an actual bedroom that you can walk through, Tim will highlight signs and symptoms of alcohol/drug abuse and teach skills for proactive parenting. This presentation will give you tools to address possible problems.

For ALL parents, caregivers, adults over 21, community members, educators and adults working with youth. **No one under 21 will be permitted to attend.** During dinner at 6:30, a network of representatives from local agencies will share their expertise about child/teen development, anxiety and other issues.
