

Memorial Day is just around the corner, and so is our tribute to the members of the United States Armed Forces who have made the ultimate sacrifice in service to our Nation.

Starting at 9:30am on Monday, May 31st, Metuchen's First Responders will drive their vehicles through and around our town to pay our respects.

Before the parade starts, we will post a live tracker link which will allow everyone to follow our progress and pick their best spot to join us in honoring those whom have given everything for our freedom.
