## Permit Parking

### 1. How can I purchase a parking permit from the Metuchen Parking Authority (MPA)?

- Apply for a permit by filling out an application form [online](#).
- Once your application is submitted, the MPA permit clerk will contact you to determine availability and proof of residency if needed.

- Once availability is determined, applicants can purchase a permit by cash or check in person, or by credit card or e-check [online](#).
- If you are paying by check, please write your permit number on your check and include a stamped self-addressed envelope. Checks can be put in the drop box located in the rear of Borough Hall.
- Once purchased, your hangtag will be mailed, or you can pick it up in person at the Borough Hall. Permits must be displayed on the rearview mirror only.
- Please note, the Pearl Street garage is not managed by the MPA, so monthly permits for the garage must be purchased through the NexPass app. Instructions are available on the [Nexus website](#).
