

Learn to Create All-Occasion Greeting Cards

Saturday January 23, 2016

2 pm - 3:30 pm

Create All-Occasion Greeting Cards: Learn to make three-dimensional greetings cards using designer cardstock for Valentine's Day, a Birthday and other special occasions. The 1.5 hour hands-on workshop will provide instruction, supplies and the inspiration to make unique professional-looking products that you can personalize for friends and family members. (Samples are currently on display at the Library.) Participants should bring a ruler, a pencil and a pair of scissors. This program is open to adults and high school students who are Metuchen residents. Space is limited. Write KLiss@Lmxac.org to sign up.

The Library reserves the right to record or photograph library users for publicity purposes, unless an individual files a Photo Opt-Out Release form.
